Bonnell Aluminum announces its energy and fuel surcharge for June shipments

With June's NYMEX natural gas settlement price moving up from \$11.28/MMBtu to \$11.916/MMBtu, and the US national diesel retail prices increasing from \$4.084/gallon to \$4.425/gallon during the month of May, Bonnell's energy and fuel surcharge for June shipments will increase by \$0.007/lb to \$0.058/lb. The energy surcharge component will consist of \$0.023/lb while the fuel component will be \$0.035/lb.
